Busted

A woman pulled up to a red light behind another car. The driver of the car in front of her was talking on his cell phone and shuffling through some papers on the seat beside him.

The light turned green, but the man didn't notice. The woman began pounding on her steering wheel and yelling at the man to move. The man still didn't move.

The woman went ballistic inside her car, ranting and raving at the man, pounding on her steering wheel and dashboard.

The light turned yellow. The woman blew the car's horn repeatedly as she yelled and screamed curses at the man.

The man finally noticed the commotion. He looked up, saw the yellow light, and accelerated through the intersection just as the light turned red.

The woman was beside herself, screaming in frustration as she missed her chance to get through the intersection. As she was still in mid-rant, she heard a tap on her window and looked into the face of a very serious looking policeman.

The policeman told her to shut off her engine and step out of the car. The red-faced woman obeyed, speechless at what was happening. The policeman then placed the woman in handcuffs and told her she was being arrested for car theft.

She protested stating that the car was hers. After checking the registration, he said, "I'm really sorry for this mistake. But you see, I pulled up behind your car while you were blowing your horn, screaming and cursing. Then I noticed the "Choose Life" license plate holder, the "Follow Me to Sunday School" bumper sticker, and the chrome plated Christian fish emblem on the trunk. Naturally I assumed that you had stolen the car. Have a blessed day!"

Matthew 5:16—In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

I think you get the hint.

Dear Church Family,

As a new member in Ministry and Council, I am excited, yet a little nervous to be a part in this ministry. As a member at Center for the past several years, I have come to know that we are a teaching church from the Word of God. And I share that with anyone I talk to about our church. I have never been in a church that genuinely loves one another like Center Community Church does. I pray that we continue this as our church grows. And I have the faith that our church will continue to grow. I also have faith that the leaders of our church will continue God's plan and lead our church in the right direction. "So then faith comes by hearing, and hearing by the Word of God." Romans 11:17 NKJV.

Please continue to pray for the leadership of our church that they continue to grow and lead us in the Word of God.

From the Missions Ministry

A Call to Prayer – Please be praying for our Mission Team that will be traveling on July 12th to Eastern Kentucky to help a small Church reach out to its community. The V.B.S. offering of \$211.05 will go to help this church in its ministry. Pray for their travel, good health and the Spirit’s help in their Christian service.

Our Mission Ministry members for this year are: Chuck Elston (chairman), K. Pat Adams, Bill Eckert, Susie Hardin, Marjorie Harlan, Ray Henderson, Bev Lenz, Juanita Mitchener, Dan Moran and Kathy Wilhite. In this newsletter issue I wish to explain some things about our Mission Ministry. The General Mission Fund is sent to the 12 Missions we support regularly. We also have a Help Fund for needy Church families. We try to be aware of the possible needs of families in our Church. There is a box on the table by the secretaries’ door where suggestions can be placed.

In choosing to support a Mission, we consider if the work is being done in Jesus’ name, how effective the Mission is and how much of the donated monies go for administrative costs. We can be proud that through the missions we support regularly, the ministry of Center Community Church reaches around the world and glorifies our Lord Jesus in many ways.

Our Youth

The first full week of June was a busy time here at Center Community Church with setting up and preparing for our week of VBS. Many individuals worked diligently on music, crafts, lessons, snacks, games, and missions to make this an enjoyable, as well as a learning experience for our CCC youth and their friends they brought. Our theme this year was Camp Kilimanjaro, based on Proverbs. Everyone learned something from the youth to the adults.

We cannot thank enough the unsung heroes would donate items, led groups, and prayed for a successful VBS!

I am proud to say it indeed was an awesome experience—thank you all!

In Proverbs 22, verse 6, it states: "Start children off on the way they should go, and even when they are old they will not turn from it". The youth we train today will become the leaders of our Church and the community at large. I thank you for the endeavor you have started in their lives.
